

M.S.A.D. 75

ReOpening Our Schools

Covid-19 Pandemic - Fall 2020

2020-2021 M.S.A.D. No. 75 Reopening Planning

Given:

- Structures and functions will need to be different.
- Use this opportunity to update our learning model from the 19th to 21st Century.
- We will need to quickly adjust to changing conditions of the Covid-19 Virus.
- We will be implementing the Plan for the entire 2020-2021 school year (or until a vaccine is widely distributed).

Goals of Reopening Schools for 2020-2021 Schools:

- Maximize in-person teaching and learning while minimizing risk or harm.
- Mitigate potential learning gaps and loss of engagement from the closure period.
- Ensure that our schools are safe for our students, staff, and community to the fullest extent possible
- Address the social-emotional wellness of students and staff.
- Teaching and learning of grade-level expectations and “Commit to student learning of grade-level learning goals.”

Core Values and Beliefs That Guided the Planning:

- Student learning and social-emotional health is a priority.
- A commitment to the safety of students, staff, and community.
- Support the overall wellness of our students, staff, and community due to the consequences of the pandemic.
- Rapidly change between scenarios depending on the virus.
- Increases consistency between schools and best practices in the District.
- Student Instruction is the essential planning tool.

Primary Student and Staff Needs:

- Interpersonal connections
- Authentic engagement
- Clear and high expectations
- Consistency of school experiences
- Social-emotional learning
- Technology support

Primary Focus Areas of the Reopening Planning:

- Instruction
- School Operations/Logistics
- Health and Wellness
- Technology
- Transportation
- Buildings/Facilities
- Staff and Student Attendance
- Athletics
- Post-Secondary Transition
- Communication

Key Questions, Assumptions, and Challenges:

1. ***Does Any Reopening Plan Eliminate All Risk?*** The risk of harm to students was always at the forefront of planning - not just the risk of disease spread, but also the significant social-emotional toll of remote learning. All plans sought to minimize the risk of harm, but no option completely eliminates all risks to students, as well as staff.
2. ***How Will Student Learning Be Impacted?*** Many students struggled to engage with remote learning, and some gaps in learning occurred. The planning process sought to address these learning gaps and get students back on track with grade-level expectations as soon as feasibly possible. This is not an issue unique to M.S.A.D. No. 75; and state and national standards will likely need some recalibration.
3. ***What Is the On-The-Ground Status with the Virus?*** The increase of Covid-19 cases is likely, as more businesses and schools reopen. By having three different reopening scenarios, the planning process sought to have flexibility and adaptability to the situation on the ground
4. ***How Will the Virus Impact our Workforce?*** The Pandemic has been a disruptive force to the routines and home life of all families in our school district. This is also true for all our staff members, regardless if they reside in one of the four district towns. The health and well-being of our staff members is a primary consideration, as is their own family and health situation and how that impacts their work.
5. ***How Will Our Schools Grow and Become Better from this Experience?*** While the school closure period presented many challenges, it also allowed educators to reflect on traditional school practices. Our teachers tried out many new instructional strategies, including some new positive learnings that could be applied once schools reopen. Our reopening plans sought to capture some of these innovative practices to help meet the needs of all students in the 2020-2021 school year and beyond.

Maine Department of Education Covid-19 3-Tier System:

Metrics on the transition to Plan A/B/C will be provided by Maine DOE, Maine DHHS and Maine CDC.

The following website by Harvard University is updated daily and shows the similar metrics the Maine DOE will use.

<https://globalepidemics.org/key-metrics-for-covid-suppression/>

“To inform local school administrative unit (SAU) decisions about whether and how to bring students back into the classroom, Maine Department of Health and Human Services (DHHS) and Center for Disease Control and Prevention (Maine CDC) have developed a system to categorize counties. This categorization is based on a holistic assessment of quantitative and qualitative information. It includes, but is not limited to, recent data on case rates, positivity rates, and syndromic data (e.g., symptoms of influenza or COVID-19).” Source Maine DOE.

COLOR CODE	GREEN	YELLOW	RED
MAINE DOE LANGUAGE	Categorization as “green” suggests that the county has a relatively low COVID-19 risk and that in-person instruction can be adopted, although a SAU may opt for hybrid instruction if its buildings or readiness make adhering to the required Health and Safety Measures for All Schools a challenge.	Categorization as “yellow” suggests that the county has an elevated risk of COVID-19 spread and that hybrid instruction models should be adopted.	Categorization as “red” suggests that the county has a high risk of COVID-19 spread and that in-person instruction should not be conducted.
M.S.A.D. No. 75 SCHOOLS will anticipate to be in the following or transitioning into the following:	PLAN A	PLAN B	PLAN C

Parents will have two choices/options for their children in M.S.A.D. No. 75 Schools:

OPTION 1: Students will attend in-person teaching and learning to the fullest extent possible; and parents will know that there is a high degree of likelihood that our schools will transition between PLANS A, B, C.

OPTION 2: Parents will commit their children to PLAN D for the first trimester/first semester. PLAN D is on-line only, as described below.

M.S.A.D. No. 75 Reopening Plan

Each Plan will include preparations to rapidly transition to an alternate Plan (A-C).

	<p><u>Plan A: Full Reopening:</u> Routines, and structures will be altered to adhere to CDC or executive orders.</p> <ul style="list-style-type: none"> Allowed by the Maine DOE Least restrictive physical distancing requirements School attendance is compulsory and no longer optional (Plan A/B/C - attendance will be taken). 	<p><u>Plan B: Blended Model:</u> Approximately 50% of the students would attend in-person instruction at any one time.</p> <ul style="list-style-type: none"> Most restrictive physical distancing requirements. Increase in remote learning and decrease in in-person learning. Student schedules alternate between remote and in-person instruction. School attendance is compulsory and no longer optional (Plan A/B/C - attendance will be taken). 	<p><u>Plan C: 100% Remote</u> All students will be engaged in remote learning.</p> <ul style="list-style-type: none"> The need to provide 1:1 technology access for all students Mandatory participation in school Equity for all students While not ideal, it is possible to provide adequate educational experiences for our students. School attendance is compulsory and no longer optional (Plan A/B/C - attendance will be taken). 	<p><u>Universal Option (Plan D): Continuous 100% remote learning available for all students:</u>100% remote: Families can self-select this option for remote learning.</p> <ul style="list-style-type: none"> 100% Remote School option (Must commit to online learning by July 31st, 2020 and maintain online learning through the end of first trimester (Grades K-5) or first semester (Grades 6-12); including compulsory attendance). 5-day-a-week schedule
<p>Practicing Prevention</p>	<p>Prevention and Hygiene:</p> <ul style="list-style-type: none"> Access online training for good hygiene such as handwashing and covering coughs Face coverings for all staff. Face coverings for students 	<p>Prevention and Hygiene:</p> <ul style="list-style-type: none"> Access online training for good hygiene such as handwashing and covering coughs. Face coverings for all staff. Face coverings for students 		

	<ul style="list-style-type: none"> Supplies necessary are consistently available (soap, hand sanitizer, cleaning). Enhanced cleaning and disinfecting procedures of high- touch surfaces. Signage in classrooms, hallways, and entrances to communicate how to stop the spread, COVID-19 symptoms, and preventative measures 	<ul style="list-style-type: none"> Supplies necessary are consistently available (soap, hand sanitizer, cleaning). Signage in classrooms, hallways, and entrances to communicate how to stop the spread, COVID-19 symptoms, and preventative measures. 		
Transporting Students	<ul style="list-style-type: none"> Parents are encouraged to transport students. Bus drivers and all students wear face coverings. Cleaning and disinfecting after each bus run. No food/drink allowed on the bus. 	<ul style="list-style-type: none"> Parents are encouraged to transport students. Due to physical distancing limitations and limits of buses and drivers, geographic pickups are a priority. Bus drivers and all students wear face coverings. Cleaning and disinfecting after each bus run No food/drink allowed on the bus. 	<ul style="list-style-type: none"> No transportation available. 	<ul style="list-style-type: none"> No transportation available
School Operations	<p>Physical Distancing:</p> <ul style="list-style-type: none"> Minimum of 3-6 feet physical distancing 	<p>Physical Distancing:</p> <ul style="list-style-type: none"> Minimum of 3-6 feet physical distancing 	<p>Physical Distancing:</p> <ul style="list-style-type: none"> Building use determined by the Superintendent based on any Executive 	<p>Physical Distancing</p> <ul style="list-style-type: none"> Visits to the school by appointment to retrieve educational items assigned

	<ul style="list-style-type: none"> • No school-wide assemblies and large-group events (50 or more) • Limit non-essential visits to the schools (guest speakers, volunteers, etc.) • Before-and-after school meetings will be virtual to the fullest extent possible. <p>Operations:</p> <ul style="list-style-type: none"> • Monitor staff/student absenteeism in all options • Sick leave and staff health accommodation protocols • Communications systems will be in place to alert families of positive cases. • Train all students and staff in new protocols by explicitly teaching, reminding, and reinforcing on a daily/weekly basis • Use outdoor space as a classroom when appropriate. • School-based changes to arrival and dismissal procedures. • Open House and Parent Conferences are held virtually. 	<ul style="list-style-type: none"> • No school-wide assemblies and large group events (50 or more) • No non-essential visits to the schools (guest speakers, volunteers, etc.) • Before-and after-school meetings will be virtual only. <p>Operations:</p> <ul style="list-style-type: none"> • Monitor staff/student absenteeism in all options • Sick leave and staff health accommodation protocols • Communications systems will be in place to alert families of positive cases. • Train all students and staff in new protocols by explicitly teaching, reminding, and reinforcing on a daily/weekly basis • Use outdoor space as a classroom when appropriate. • School-based changes to arrival and dismissal procedures. • Open House and Parent Conferences are held virtually. 	<p>Order guidelines and/or CDC recommendations</p>	<p>by teacher (library books, supplies)</p>
--	--	---	--	---

	<ul style="list-style-type: none"> Limited after-school/ interscholastic activities. Athletic guidelines will be determined according to the Athletic Plan (see below). Limit usage of facility and movement within the building Family Focus After Care will need to adhere to staffing and clearing per the M.S.A.D. No. 75 Standard Operating Procedures. 	<ul style="list-style-type: none"> No after-school activities. Athletics will consider a non-competitive practice model (please see Athletic Plan below). Limit usage of facility and movement within the building Family Focus After Care will need to adhere to staffing and cleaning per the M.S.A.D. No. 75 Standard Operating Procedures. 		
Serving Meals	<p>Cafeteria:</p> <ul style="list-style-type: none"> Pre-packaged breakfast (grab and go) Remove self-service stations Lunch (limit options) Meals will be boxed or wrapped. Limit cafeteria seating/eat-in classrooms (TBD) Disposable plates, utensils, etc. A la cart available with pre-packaged offerings No classroom food celebrations. Only kitchen staff allowed in the kitchen 	<p>Cafeteria:</p> <ul style="list-style-type: none"> Pre packaged breakfast (grab and go) Remove self-service stations Lunch (limit options) Meals will be boxed or wrapped. No cafeteria seating/eat-in classrooms (TBD) Disposable plates, utensils, etc. A la cart available with pre-packaged offerings No classroom food celebrations 	<p>Meals:</p> <ul style="list-style-type: none"> Meals will be made available for students to eat at home. 	<p>Meals:</p> <ul style="list-style-type: none"> Meals will be made available for students to eat at home.

		<ul style="list-style-type: none"> Only kitchen staff are allowed in the kitchen. <p>Meals:</p> <ul style="list-style-type: none"> Meals will be made available for students to eat at home. 		
Transitioning and Changes to Procedures	<p>Limit Sharing:</p> <ul style="list-style-type: none"> An adequate supply of classroom materials to limit sharing (math manipulatives, calculators, whiteboards, etc.) Avoid sharing learning aids, electronic devices, toys, etc. 	<p>Limit Sharing:</p> <ul style="list-style-type: none"> An adequate supply of classroom materials to limit sharing (math manipulatives, calculators, whiteboards, etc.) Materials needed for continued at-home learning will be made available and sanitized properly upon return. No sharing learning aids, electronic devices, toys, etc. 	<p>Sharing:</p> <ul style="list-style-type: none"> When feasible, a supply of classroom materials will be sent home to aid in at-home learning. 	<p>Sharing:</p> <ul style="list-style-type: none"> When feasible, a supply of classroom materials will be sent home to aid in at-home learning.
Supporting Teaching and Learning	<p>Instruction</p> <ul style="list-style-type: none"> Develop a multi-year plan to address missed learning opportunities that occurred during remote learning during the spring of 2020 via revised academic assessment schedule and screeners 	<p>Instruction</p> <ul style="list-style-type: none"> Develop a multi-year plan to address missed learning opportunities that occurred during remote learning during the spring of 2020 via revised academic assessment 	<p>Instruction</p> <ul style="list-style-type: none"> New instruction offered synchronously (all students online at the same time) or videotaped to be viewed at a later time Cross-discipline standards Individual RTI plans and increased supports will be 	<p>Instruction</p> <ul style="list-style-type: none"> We anticipate providing a paid staff person to work with groups of students who elect virtual instruction. Paid staff members may be certified teachers and/or paraprofessionals and may be staff who have to stay

	<ul style="list-style-type: none"> • Individual RTI plans will be created for any skill deficits. • After-school supports for academic and social/emotional needs • Cross-discipline standards • Integrate social-emotional learning. • Development and plan for use of a needs assessment tool for social/emotional and learning readiness. • Emotional well-being of students and staff is a high priority. Emotional learning and relationship building is prioritized for the first few weeks of the school year. • Timely feedback and accountability for student learning and assessment • Planning for transition to hybrid/remote instruction • Consistent curriculum programs and resources • Focus areas for new learning/concepts will be Literacy, Math, and Social-emotional health at Grades K-8. 	<p>schedule and screeners</p> <ul style="list-style-type: none"> • Individual RTI plans will be created for any skill deficits. • After-school supports for academic and social/emotional needs • Cross-discipline standards • Integrate social-emotional learning • Development and plan for use of a needs assessment tool for social/emotional and learning readiness. • Emotional well-being of students and staff is a high priority.
